SECTION II – ASSET LIST

You must identify your role for each asset in your petition. Please review the role definitions below.

ROLE INFORMATION (multiple roles may apply to each asset)	
Owner	<i>The person in whom primary title is vested or whose interest is manifested by the actual and beneficial use of the property, even though the title is vested in another. A victim of an offense, as defined in this section, may also be an owner if he or she has a present legally cognizable ownership interest in the property forfeited. A nominal owner of property will not be treated as its true owner if he or she is not its beneficial owner.</i>
Victim	<i>A person who has incurred a pecuniary loss as a direct result of the commission of the offense underlying a forfeiture. A drug user is not considered a victim of a drug trafficking offense under this definition. A victim does not include one who acquires a right to sue the perpetrator of the criminal offense for any loss by assignment, subrogation, inheritance, or otherwise from the actual victim, unless that person has acquired an actual ownership interest in the forfeited property; provided however, that if a victim has received compensation from insurance or any other source with respect to a pecuniary loss, remission may be granted to the third party who provided the compensation, up to the amount of the victim's pecuniary loss.</i>
Lienholder	<i>A creditor whose claim or debt is secured by a specific right to obtain satisfaction against the particular property subject to forfeiture. A lien creditor qualifies as a lienholder if the lien:</i> <i>(1) Was established by operation of law or contract;</i> <i>(2) Was created as a result of an exchange of money, goods, or services; and</i> <i>(3) Is perfected against the specific property forfeited for which remission or mitigation is sought (e.g., a real estate mortgage; a mechanic's lien).</i>

Identify the asset ID and asset description for each asset you are petitioning and indicate your role as a petitioner for each asset. You may select one or more roles.
